Profile

I am a Graphic Design enthusiast at a Technical College with a strong passion for video editing and digital content creation. I enjoy transforming ideas into engaging visual content while continuously improving my technical and creative skills. I am seeking opportunities to gain practical experience, collaborate on creative projects, and grow within the media and design industry.

Experience

VIDEO EDITOR

New Born Cinema | 2026

- Edited videos for YouTube, social media, and promotional content
- Used effects, transitions, and color grading to enhance video quality
- Worked with clients to understand requirements and deliver projects on time
- Strong ability to synchronize audio tracks with video footage, ensuring professional-quality output.

ALBUM DESIGN

Ravanan Photography | 2022-2023

- Assisted in creating simple photo album layouts for weddings and events
- Used Adobe Photoshop for basic photo editing (crop, color correction, brightness)
- Delivered projects on time while maintaining design quality and client satisfaction
